DESCRIPTION

The Baton Pro is the newest version of our portable, rechargeable side-switch LED flashlight. Powered by a single 3500mAh 18650 customized lithium rechargeable battery and a high-efficiency LED, the Baton Pro delivers a maximum output of 2000 lumens. The Baton Pro adopts OLIGHT's signature magnetic USB charging system for a more convenient charging station. With increased output and easier charging, the Baton Pro provides a high-performance portable experience for outdoor lighting.

FEATURES

- Delivers a maximum output of 2,000 lumens with cool white high performance LED available.
- The Baton Pro, with an 18mm diameter TIR lens, is 28% larger than that of the previous generation, providing better light quality with a soft and balanced beam.
- The Baton Pro adopts 3D small squared and big rounded texture milling pattern for an extremely firm grip and great look.
- The blue dual-directional stainless steel pocket clip can easily attach to your backpack, belt or pocket for easy access.
- Visual display indicator located on the center of the switch to clearly display the battery level in real time.
