

MEGASTREAM[®] HP USB

HIGH-CANDELA RECHARGEABLE FLASHLIGHT

Slide sleeve back to access charge port

Red = Charging / Green = Charged

Available Colors:

The MegaStream HP USB is a compact powerhouse that produces a 310,000 candela downrange beam that reaches 1,114 meters. Designed for convenience, it slips effortlessly into your bag or clips onto your gear, ready for action at a moment's notice. Power up via the charge port in the body or swap out the removable battery to charge while using a fresh one—because downtime is not an option.
